

Graduated study program Tropical Forestry and Agroforestry

Czech University of Life Sciences Prague

Faculty of Tropical AgriSciences

Nghiên cứu và biết được thế giới! *Estudar y conocer o mundo!* এবং স্টাডিজ বিশ্বে জানা *دراسة ومعرفة العالم*
Étudier et découvrir le monde! Estudiar y conocer el mundo! Studuj a pozněj svět!
Study and explore the world!

Why to study master degree in Tropical Forestry and Agroforestry at FTA?

- ☞ we offer a complete study programme for agricultural development specialist
- ☞ we prepare graduates to work in forest cultivation and sustainable forestry and agroforestry management
- ☞ we place emphasis on issues of ecology and sustainability
- ☞ we support language improvement - students can receive international certificates such as TFI or TOEIC
- ☞ students are divided into small study groups with participatory teaching methods and a family atmosphere
- ☞ our diverse mix of international students creates a natural learning environment

A broad selection of Master thesis topics, such as:

- ☞ Impact of cocoa agroforestry on small mammal biodiversity
- ☞ In vitro propagation of selected Amazonia tree species
- ☞ Methods of DNA extraction for selected tropical tree species

Forest Management - Special Crops - Tropical Dendrology - Agroforestry - Forest Ecology - Water Resources - Silviculture - Multipurpose Tree Species - Forest Inventory

You can take advantage of a wide array of activities:

- ☞ complete part of your studies at one of our partner universities abroad
- ☞ participate in research opportunities in tropical regions and developing countries
- ☞ enjoy many sporting and cultural activities on our beautiful campus
- ☞ publish in our own scientific journal

Examples of our Erasmus partners:

University Politecnica de Valencia - Spain
Instituto Politecnico de Castelo Branco - Portugal
Louvain University - Belgium

Join us and become a part of our projects in Peru, Tanzania, Vietnam and Haiti!
