Specialisation: In the first semester a student opts for his/her specialisation. The possibilities of specialisation (starting from the 8 semester) are listed in table No. 2.

Optional courses – every student has to opt for one, OSA means the Optional Study Abroad – the courses passed during SOCRATES/ERASMUS programme During the study a student must participate in the internship related to his/her diploma thesis (minimal length 120 hours). The internship has to be confirmed by diploma thesis supervisor in the student's book during the last semester. Table No. 2

sem.	SPECIALIZATION 1		SPECIALIZATION 2		SPECIALIZATION 3
