

Important dates for Winter semester – pedagogical activity Academic year 2020/2021

Due to the epidemiological situation and the persistent ban on personal presence of students at the Faculty of Economics and Management, we are postponing the selection of Master Thesis topics for 1st years of master programmes and selection of Bachelor Thesis topics for 2nd year of bachelor programmes to March 2021. Students will be informed about the exact date in February 2021.
